

As seen in the “Sainted and Tainted” section in St. Paul’s *Pioneer Press* on July 26, 2008

SAINTED

Judy Nobles of West St. Paul, who volunteers to play the organ Wednesdays at Cerenity nursing facility in St. Paul. She entertains the residents with her unique, upbeat music and hymns, bringing such joy as they sing along, play small percussive instruments, smile and are truly, happily transformed.

In addition, Judy plays at the monthly memorial service. Judy's music brings joy and happiness to everyone at Cerenity.
